Subject: JSCS Presentation to LWG

Jim & Bob,

We previously talked about me presenting an overview & taking questions from the LWG regarding the Joint Source Control Strategy (JSCS). I'm happy to do that & want to schedule that meeting the week of 9/19/05. Ideally, I'd like EPA (Chip, Eric, &/or Kristine) to attend along Keith Johnson, but it will undoubtedly be hard to find a time that will accommodate everyone. I haven't yet checked with EPA regarding their schedules, but I suggest a 2-hour meeting either:

Monday afternoon 9/19;
Tuesday morning 9/20; or
Thursday morning 9/22.

Please let me know what you want to do ASAP, so I can lock-in a meeting time.
